Highlights

Crackle-free radio reception
From nonstop music to the latest news, this digital radio is your ticket to better listening. The DAB+ tuner delivers crystal-clear reception, and you can set up to 20 presets for your favorite stations. The display shows the time clearly.

Sleep Timer
Drift into restful sleep with your favorite station playing in the background. You can set the clock's Sleep Timer to play the radio for up to 2 hours. After your preset time has elapsed, the radio turns off.

Dual alarm
The dual alarm function lets you set two different alarms, and the Gentle Wake function deploys a gradually increasing alarm to ease you into the day. You can set it to work with the alarm tone or the radio.

Auto time sync. Battery backup
This alarm clock automatically syncs time, and it also has a battery backup. If there's a power failure, you won't have to reset the clock and your alarm settings will be saved.
