**(2) At the lowest speed setting. Sound power tested based on IEC60704.
***(3) PMV calculation to ISO7730:2005, 8h/day , kWh price: 0.25 €, for 90 days, 42m2 room, MAX mode

Highlights

Reach up to 30m

Long-range airflow that can reach up to 30 meters. Enjoy maximum comfort and feel refreshed no matter where you are; everyone in the room can feel the cool breeze.

Airflow

Provides a powerful cooling airflow of 2562 m³/h to quickly cool the entire room. Say goodbye to stagnant air and welcome a refreshing breeze that reaches every corner of your space.

Ultra-quiet, as low as 19 dB

Experience 30% quieter operation with our innovative SilentWings technology (1). Drawing inspiration from the silent wings of nature's quietest flyer, the owl, our blade designs ensure a quieter cooling experience with noise levels as low as 19 dB(A) (2) - quieter than a whisper!

Quality and Durability

Made to last, season after season. With over 80 years of air care expertise, Philips performs over 110 rigorous tests on their fans before release, ensuring high quality and performance.

Quiet sleep mode

Enjoy a cool and peaceful night's sleep with the Quiet Sleep mode. This mode gradually decreases the fan speed to the lowest setting, helping you fall asleep naturally while also conserving energy.

Natural breeze mode

The Natural Breeze Mode mimics a breath of fresh air; the intensity and speed of the air alternates seamlessly from high to low, creating a natural and invigorating indoor experience that can be enjoyed all year long.

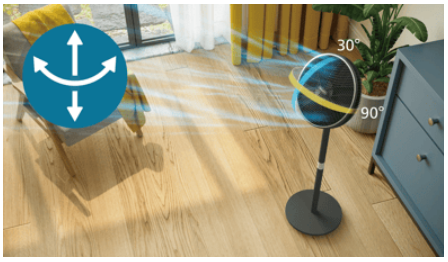
App, 2 Modes & 3 Speeds

Easily adjust settings with the Air+ app or the device. You can enjoy a gentle breeze or a more powerful blast of air with this versatile fan, which offers 3 speed settings, a natural breeze mode, and a tranquil sleep mode. Choose the setting that suits you best, lean back, and enjoy.

App

No more wasted time looking for the remote, you can easily control our fan with your phone. Tailor your comfort in the Air + app by adjusting settings, setting schedules, and more.

Oscillating and Tiltable



Feel the cooling breeze in every corner. Our fan can be tilted 30 degrees and rotates 90 degrees automatically, ensuring even airflow throughout the whole room.

Specifications

General Specification

Product type: Pedestal Fan
Technology: SilentWings
Color: Black, Silver
Primary Material: Plastic
Internet connectivity: Yes, Yes
Wi-Fi range: Yes
Voice control: Yes

Weight and Dimensions

Head diameter: 40cm
Product Length: 40.0cm
Product Width: 37.2cm
Product Height: 125.0 cm
Product Weight: 6kg
Package Length: 46.2cm
Package Width: 19.9cm
Package Height: 73.7cm
Package Weight: 8.4kg

Energy Efficiency

Stand-by power consumption: <2W
Voltage: 220-240V
Frequency: 50/60Hz

Maintenance

Warranty: 2 years

Country of Origin

Produced In: China

Technical Specifications

Maximum power: 48 W
Min. sound level: 19 dB(A)
Max. sound level: 46 dB(A)

Performance

Fan airflow: 2562 m³/h

Usability

Sleep mode: Yes
Natural mode: Yes
Speed settings: 3
Timer: Yes
Scheduler: Yes (in app)
Cord length: 1.8 m
Oscillation: 90°
Vertical Tilt: 30°
Interface: Push
