

# HP 24o 61 cm (24") LED Backlit Monitor

An amazing view. Amazingly affordable.

Enjoy the vibrant quality you've been looking for at a price that will delight you with this 24" (61 cm) diagonal Full HD display. Packed with a great screen and easy connectivity, it'll take your entertainment experience to the next level.

## Vibrant experience

The 24" (61 cm) diagonal Full HD<sup>1</sup> screen delivers all your entertainment with vivid colors and crisp clarity. Get ready for all your content to take on a beautiful level of detail.

## Connect with ease

With VGA, DVI, and HDMI ports, easily connect your devices with no adapters needed.

## No more motion blur

Say goodbye to choppy games, videos, and movies. With lightning-fast 1ms response time, every pixel responds at an astounding rate, for a smooth, stutter-free experience.<sup>2</sup>

<sup>1</sup> Full high-definition (FHD) content required to view FHD images.

<sup>2</sup> All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower. Results may vary based on quality of the original picture/photo/video and difference between the previous monitor settings compared to the HP Enhance + mode.
