Highlights

2.1 channels
The thunder of explosions. The roar of a crowd. 2.1 channels bring richer, deeper, clearer sound to your favorite movies and shows. The compact wireless subwoofer delivers rich bass.

Ultra-slim design
This soundbar has a profile of just 35 mm, making it perfect for TVs with lower stands. When it comes to placement, the integrated wall brackets keep your options open. The compact design of the powerful subwoofer makes it easy to conceal.

Dolby Audio
Be immersed in your favorite shows and movies. This soundbar with wireless subwoofer supports the Dolby Digital format for a more expansive and involving experience. Voices will be clearer. Effects will be more impressive.

HDMI ARC
This soundbar connects to your TV via HDMI ARC, allowing you to control soundbar volume with the same remote you use for your TV. The included IR repeater lets you use your TV remote even if you place the soundbar in front of the TV's IR sensor.

Connect your favorite source
Stream playlists from your mobile device via Bluetooth. Connect audio sources via audio-in, optical input, or USB. Whatever you love, it will sound great through this soundbar.
