

Beard & stubble trimmer with USB charging

- Self-sharpening stainless steel blades
- 1 stubble & 3 beard combs 1mm-7mm
- 60 min cordless use per USB charge
- Dry use only

BT1216/15

Durable, consistent performance

Self-sharpening stainless steel blades

This trimmer is designed to be charged with a USB cable. It fully charges in 8 hours and runs for up to 60 minutes. The stainless steel blades are self-sharpening, giving you a trim as effective as on day 1.

Benefits

Trimming performance

- Stainless steel blades for long-lasting sharpness
- Choose a 1,3,5 or 7 mm beard length or the zero trim look
- Skin-friendly blades for smooth skin

Easy to use

- Up to 60 minutes of cordless use after 8 hours' charging
- USB charging for convenient use
- Lights indicate when battery is low or charging

- Travel lock prevents trimmer from accidentally starting
- Detachable head for easy cleaning
- Ergonomic design for easier handling

Built to last

- 2-year guarantee, worldwide voltage, no oiling needed

PHILIPS

Features

Stainless Steel Blades

Get a perfect yet protective trim, time after time. The trimmer's steel blades lightly brush against one another, sharpening themselves as they trim so they stay extra-sharp and as effective as on day 1.

60-min cordless use

Charge your trimmer for 8 hours with your USB cable to get 60 minutes of cordless use.

USB charging

This beard trimmer comes with a USB cable for more flexible charging via your computer or any USB adaptor. The adaptor is not included (recommended adaptor Philips HQ80).

Choose any of the 5 looks

You can choose from the 1-mm stubble comb or any of the 3-mm, 5-mm or 7-mm beard combs to get the beard length you want. Alternatively, you can remove the comb and get the zero trim look of 0.5 mm.

Battery indicators

The battery indicators in this trimmer let you know what your battery status is: low or charging. This way, you can charge your trimmer on time and you won't end up with an empty battery in the middle of your trim.

Skin-friendly blades

Blades have rounded tips for smooth contact with skin to prevent scratching and irritation.

Travel lock

The travel lock on the on/off button prevents the appliance from being switched on by accident.

Easy to clean

Detach the head and use the brush included to sweep away loose hairs for easy dry cleaning. No oiling required.

Ergonomic design

Easy to hold and use. Designed to help you trim those hard-to-reach areas.

Built to last

We back this Philips trimmer with a 2 year guarantee: our grooming products are built to last. You'll never need to oil it, and it's compatible with all worldwide voltages.
