Easy to use

- Run time: up to 70 minutes of cordless use per charge
- Rinseable attachments for easy cleaning
- Storage pouch for easy organisation and travel
- 3-year guarantee and worldwide voltage

PHILIPS

Features

Self-sharpening blades

Get a perfect trim, time after time. The steel blades lightly brush against one another – sharpening themselves as they work. This results in blades that are sharp as day 1 after 3 years of use.

10 tools for face, hair and body

This all-in-one trimmer conveniently trims and styles your facial hair, clips your hair and grooms your body.

Metal trimmer

Use the metal trimmer without a comb to get clean, sharp lines around your beard, neck and hairline, or to trim your body hair to a minimum length. The trimmer's self-sharpening blades remain as sharp as day 1, even after 3 years of use.

Detail metal trimmer

Create fine lines, contours and details with precision, to define or change your style.

Nose and ear trimmer

Remove unwanted nose and ear hair, easily and comfortably.

7 Impact-resistant combs

2 stubble combs (1,2 mm), 1 adjustable beard comb (3-7 mm), 3 hair combs (9,12,16 mm) and 1 body comb (3 mm).

Specifications
