# Highlights

## Self-sharpening blades

Get a perfect trim, time after time. The steel blades lightly brush against one another – sharpening themselves as they work. This results in blades that are sharp as day 1 after 3 years of use.

## 10 tools for face, hair and body

This all-in-one trimmer conveniently trims and styles your facial hair, clips your hair and grooms your body.

## Metal trimmer

Use the metal trimmer without a comb to get clean, sharp lines around your beard, neck and hairline, or to trim your body hair to a minimum length. The trimmer's self-sharpening blades remain as sharp as day 1, even after 3 years of use.

## Detail metal trimmer

Create fine lines, contours and details with precision, to define or change your style.

## Nose and ear trimmer

Remove unwanted nose and ear hair, easily and comfortably.

## 7 Impact-resistant combs

2 stubble combs (1,2 mm), 1 adjustable beard comb (3-7 mm), 3 hair combs (9,12,16 mm) and 1 body comb (3 mm).

## Up to 70-minute run time

Get up to 70 minutes of cordless use for every 16-hour charge.

## Rinseable attachments

Simply detach and rinse the blades and combs under the tap to thoroughly clean them.

## Storage pouch

Use the convenient pouch for storage or travel. It holds and protects your trimmer and all its tools when you're on the go.

## Guarantee

We back this Philips trimmer with a 3-year guarantee. Our grooming products are built to last and engineered to give a reliable performance, time after time. This trimmer's parts never need to be oiled, and its battery is compatible with all voltages, worldwide.
