FEATURES & BENEFITS

Super Cool function

Use the Super Cool function when you want to cool the contents of your fridge fast, such as after a large shop, or to chill drinks quickly.

Lasting freshness

A crisper bin with adjustable humidity lets you store different fruit and vegetables, helping to preserve their freshness and flavour.

Flexibility in your kitchen

With a reversible door hinge design, choose whether you want your fridge to open to the left or the right.

Intuitive control

Easy and convenient temperature control using the external LCD control panel.

Matching pair

Pair your refrigerator with a vertical freezer for a complete cooling solution.
