Data sheet

HP LaserJet Pro MFP M128 series

Use a wireless, mobile-connected MFP to print from virtually anywhere—and copy, scan, and fax.

This affordable, full-featured MFP is easy to install—and prints, copies, scans, and faxes. Enable easy printing from smartphones, tablets, and laptops—at work, home, or on the go—with wireless connectivity and mobile printing features.¹

Handle the essentials

• Be agile—easily manage your MFP right at the 3-inch colour touchscreen (only for M128fw).
• Finish projects fast—use the 35-page automatic document feeder to make the most of your time.
• Easily copy both sides of a two-sided ID or other small document onto the front of a single-page.
• Set the pace for success with an MFP that prints, copies, and scans—fast.

Print on your terms

• Extend your printing reach. Easily set up, print, and share using Ethernet and wireless connectivity (only for M128fw).¹
• Connect to your wireless printer in a snap using wireless direct printing.³
• Print from your mobile device with built-in print capability or HP ePrint app and software.¹
• Print from virtually anywhere with AirPrint.™²

Hit the ground running

• Get to printing right away. Install with ease.

¹ Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to printer. Wireless performance is dependent on physical environment and distance from the access point. Wireless operations are compatible with 2.4-GHz operations only. Remote printing requires an Internet connection to a HP web-connected printer. App or software may also be required. Wireless broadband use requires a separately purchased service contract for mobile devices. Check with your service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details. ² Supports OS X® Lion and the following devices running iOS 4.2 or later: iPad® (all models); iPhone® (3GS or later) and iPod touch® (third generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your OS X or iOS device. Wireless performance is dependent on physical environment and distance from the access point. OS X, iPad, iPhone, and iPod touch are trademarks of Apple Inc., registered in the United States and other countries. AirPrint™ and the AirPrint logo are trademarks of Apple Inc. ³ An app or driver may be required to use HP wireless direct. For more information, see hpconnected.com. Wireless performance is dependent on physical environment and distance from access point.

**HP Services**

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. Choose from:

**Optimized Care (optimum performance and stability):** 4 hour Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

**Standard Care (high level of uptime):** Next Business Day Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

**Basic Care (minimum recommended support):** Next Business Day Onsite Support

**4 hour Onsite Support:** Onsite support within four hours after a service call received within the coverage window

**Next Business Day Onsite Support:** Onsite service the next business day after the service call is received

**Maintenance Kit Replacement Service:** Onsite replacement of your printer’s maintenance kit including parts, materials, and labour

**Installation with Network Configuration Service:** Assembly, network configuration, and basic administrator familiarization
