

HP Officejet Pro 8610/8620/8630 e-All-in-One

Professional color for up to 50% lower cost per page—and 50% lower energy—than lasers

Print professional color for up to 50% lower cost per page than lasers with an e-all-in-one engineered for business printing.¹ Cruise through high-volume printing tasks and help keep business moving with convenient mobile printing features.³

HP Officejet Pro 8610 e-All-in-One

HP Officejet Pro 8620 e-All-in-One

HP Officejet Pro 8630 e-All-in-One

Professional color for less than lasers¹

- Look professional with every page, using Original HP pigment inks for vibrant, durable prints.⁷
- Set the pace for success with fast printing speeds—up to 21 ppm black-and-white and 16.5 ppm color.⁸
- Attract new customers with borderless, double-sided marketing materials that help your business stand out.

Print on your terms

- Print with just a touch from your NFC-enabled smartphone and tablet (for 8620/8630 only).²
- Enable secure wireless printing from your mobile device—no router or access to local network required.⁴
- Easily print photos, documents, and more when you're on the go, using HP ePrint.³
- Share all your printer has to offer, office-wide, using 10/100 Ethernet connectivity—it's that simple.

Set a new pace for productivity

- Easily manage all your tasks and access apps⁶—just tap and swipe the 4.3-inch touchscreen (for 8620/8630 only).
- Print two-sided pages fast—up to 10 pages per minute (ppm) black-and-white and 9 ppm color (for 8630 only).⁸
- Transform your workflow—quickly scan the documents you need at speeds up to 14 images per minute (for 8630 only).⁹
- Breeze through multipage documents with automatic two-sided scanning and 50-page auto document feeder (for 8620/8630 only).

Save up to 50% on ink with HP Instant Ink.⁵

- Print high-quality documents and photos in black-and-white and color—all for the same low price.
- Choose from three monthly plans depending on how much you print—change or cancel anytime.¹¹
- Getting started with HP Instant Ink is quick and easy – learn more at hpinstantink.com
- HP high-yield ink cartridges offer an additional low-cost printing option for high-volume printing.¹²

¹ Compared with the majority of color laser AIOs <\$500 USD as of August 2013; market share as reported by IDC as of Q2 2013. Cost per page (CPP) comparisons for laser supplies are based on published specifications of the manufacturers' highest capacity cartridges. CPP based on high-capacity HP ink supplies are based on published specifications of the manufacturers' highest capacity cartridges. CPP based on high-capacity ink cartridges estimated street price and page yield. ISO yield based on continuous printing in default mode. For more information, see hp.com/go/learnaboutsupplies. ² Touch-to-print capability is standard on the HP Officejet Pro 8620 e-All-in-One and HP Officejet Pro 8630 e-All-in-One only. Mobile device must support near field communications-enabled printing. For more information, see hp.com/go/mobileprinting. ³ Check your compatible device's official app store for download availability. Requires an Internet connection to an HP ePrint-enabled printer. Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Print times and connection speeds may vary. Wireless broadband use requires separately purchased service contract F-or mobile devices. Check with service provider for coverage and availability in your area. Learn more at hpconnected.com. ⁴ Mobile device must be directly connected to the printer's wireless network prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the printer. ⁵ Savings claim is based on HP Instant Ink Service plan price for 12 months using all pages in plan without purchase of additional pages compared to the cost per page ("CPP") of the majority of color inkjet printers <\$399 USD, market share reported by IDC Q3 2013. CPP comparisons for standard capacity inkjet supplies are based on estimated street price and page yield as reported by Gap Intelligence MFP Weekly and IJP Weekly Reports Q3 2013. Actual savings may vary depending on number of pages actually printed per month and content of pages printed. ⁶ Requires a wireless access point and an Internet connection to the printer. Services may require registration at hpconnected.com. Availability varies by country, language, and agreements. ⁷ Fade resistance based on paper-industry predictions for acid-free papers and Original HP inks; colorant stability data at room temperature based on similar systems tested per ISO 11798 and ISO 18909. Water resistance based on HP internal testing, using paper with the ColorLok® logo. ⁸ After first set of ISO test pages. For more information, see hp.com/go/printerclaims. ⁹ Scan speed based on A4 or 8.5 x 11-inch, single-sided, black-and-white documents. ¹⁰ Based on plan usage (without excessive printing), Internet connection to a compatible HP printer, valid credit/debit card, email address, and delivery service in your geographic location. ¹¹ Effective after the last day of your then-current billing period. For full details go to hpinstantink.com. ¹² Based on Original HP 61 XL black and color ink cartridges. Not included; purchase separately. Less cost per page compared to estimated street price of standard-yield HP 61 ink cartridges.

HP Officejet Pro 8610/8620/8630 e-All-in-One Printer

- 1 50-sheet ADF (HP Officejet Pro 8620 and 8630 models)
- 2 Plate glass color scanner handles up to 8.5 x 14 in (215 x 355 mm)⁴ paper
- 3 4.3-inch (10.9 cm) touchscreen color graphic display (8620/8630 models)
- 4 Easy access USB port to print from and save scans to a flash drive
- 5 150-sheet output tray
- 6 250-sheet input tray
- 7 2nd 250-sheet paper tray³
- 8 Automatic two-sided printing
- 9 600 MHz processor, 128 MB RAM
- 10 Integrated 802.11b/g/n wireless networking
- 11 RJ-11 fax modem ports (2)
- 12 Ethernet network port for easy sharing
- 13 Hi-Speed USB 2.0 printing port
- 14 Power connection

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs.

HP Care Pack Services provide comprehensive suite of protection services designed to keep HP Hardware and software up and running so employees can stay productive.

Business Priority Next Day Exchange:

Support technician will arrange the shipment of a replacement printer to customer business site to arrive the next business day. Cost of shipping included in Care Pack.

Business Priority Next Day Onsite

Exchange: Support technician will arrange shipment of a replacement printer along with a visit from an HP Authorized Representative to install and exchange the device at customer business site.

For care pack availability visit: hp.com/go/cpc

Top Features

Showcase your business, and make a professional impression with high-quality color printing for up to 50% lower cost per page than lasers.¹

Print from your smartphone, tablet, and notebook across the office or on the go.³ It's simple and direct—even without a network—using wireless options or NFC touch-to-print technology.^{2,3,4} Use Ethernet for wired connectivity.

Handle more tasks without slowing down. Be ready for bigger jobs with an additional 250-sheet tray and extra set of color cartridges (for 8630 only). Get set for business growth with an e-all-in-one designed to be easy to use for every task.

Save up to 50% on ink with optional HP Instant Ink replacement service – the low-cost way to print everything you need with confidence.⁵ Original HP Ink is ordered by your printer and delivered to your door so you'll always have it.¹⁰

Security management	Device firewall configuration; Control panel lock; Password protect EWS, SSL/TLS (HTTPS)		

¹ After first page; see hp.com/go/inkjetprinter for details. Print speed may vary depending on the type of output. ² Local printing requires mobile device and printer to be on the same network. Wireless performance is dependent upon physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP-web-connected printer. App or software and HP ePrint registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details. ³ Speed specifications have been updated to reflect current industry testing methods. ⁴ Duty cycle is defined as the maximum number of pages per month of imaged output. ⁵ HP recommends that the number of pages per month of imaged output be within the standard range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. ⁶ Average based on ISO/IEC 24711 or HP testing methodology and continuous printing. Actual yield varies considerably based on content of printed pages and other factors. Some ink from included cartridge is used to start up the printer. For details see hp.com/go/learnaboutsupplies. ⁷ Acoustic values are subject to change. For current information see hp.com/support. ⁸ Power measurements are based on ENERGY STAR® OM test procedure with 230 VAC, 50 Hz input.
