

# HP Slate 21-k100 All-in-One PC

## Android™ just hit the big screen.

Let everyone in the house enjoy their favorite Google Play content on this big, Full HD touchscreen.<sup>(33)</sup> Gather around and share your digital world. Now any room can become your digital command center with your HP Slate 21 All-in-One.

## Make it personal for every user

- Feel completely at home with the HP Slate 21. Every time you log in, your favorite Android apps, documents, and widgets appear instantly.
- When you need to check off your to-do list, our built-in productivity apps make it a snap to create documents, print, organize, and connect to all your devices.
- The HP Slate 21 is the only Android All-in-One that gives you access to the most popular portrait apps like Spotify, Words with Friends, and Facebook. The visual aspect of the apps are preserved with the optimized software. No stretching or morphing – just pure fun.

## Relax and enjoy the view

- No more jostling for the best view. With the 21.5-inch diagonal Full HD IPS display<sup>(33)</sup> and 178° viewing angles, everyone has the best seat in the house for watching videos, sharing slideshows, playing games, and more.
- Sometimes in life, only a face-to-face conversation will do. Thanks to the HP TrueVision HD Webcam, you can always look your best. Even in low light.<sup>(10)</sup>

## Recline to type — and pinch, zoom, swipe

- Get comfortable with your touchscreen. Angle it to recline so you can type and swipe when you're feeling laid-back. It only takes two fingers to pinch and zoom your way around your world with the greatest of ease.
- Get to what you want, with just a touch. A two-point touchscreen driven by three cameras precisely follows your every move for a more interactive experience without dead zones.

## Satisfy your need for speed

- Enjoy a faster and more immersive computing experience and bring your games to life with the powerful quad-core NVIDIA processor.
- Get to play — right away. Open your games and files in an instant using a fast, responsive drive with high-capacity memory for robust applications.
- No battle of the bands here. Stream music or movies on one band (5 GHz), and browse for the latest fan news on the other (2.4 GHz).

## Music to your ears

- Dynamic and subtle nuances provide rich sounds for a concert-like experience with DTS Sound+ and integrated speakers.

## Easy connections

- Go from PC to command center. Simply plug a keyboard, mouse, external hard drive, and more into one of the three USB ports to bring all your digital tools together.

## No strings attached

- Forget the middleman. Connect to phones, tablets, and other Wi-Fi-enabled devices directly with Wi-Fi Direct—without even setting up a router.<sup>(51)</sup>
- Share music, photos, files, and more instantly between any Bluetooth® 3.0 device and your HP Slate 21.
