

# Sprout by HP 23-s012na

## Reimagine what you can do

Blending the physical and the digital, Sprout lets you work in the tangible, tactile world we live in. No complicated processes. No intimidating technology. Just you, sprout and your imagination. A whole new workspace where you can roll up your sleeves and create something. Instantly. It's time to reimagine what you can do.

HP recommends Windows.

### The ultimate creative space

Redefine how your ideas are brought to life. Now, you can easily create whatever you imagine 'with your hands' using Sprout's revolutionary, immersive, multi-touch technology and Sprout Workspace, the app for capturing, creating, and sharing your ideas.

### Go from thought to expression in an instant

Sprout gives you the freedom to effortlessly create whatever you dream up next. Easily capture, seamlessly manipulate and share whatever inspires you. Making doesn't get much easier.

### Everything you need to express yourself and get work done

Now, high tech meets high touch - Sprout's breakthrough technology combined with Windows multi-touch experience, the powerful Intel i7 Processor and 1TB of storage ensures you have everything you need to express yourself and get work done.

### HP Connected Music.

Get access to unlimited listening of radio playlists for 12 months. Enjoy the latest songs of your favorite music styles, ad-free, and get a chance to win concert tickets and experiences with your preferred artists.<sup>1</sup>

### Featuring:

- Windows 8.1 operating system makes being productive every day totally effortless.<sup>2</sup>
- The Intel® Core™ i7 delivers top-of-the-line performance for your most demanding tasks.
- The Sprout Illuminator seamlessly captures every dimension of your project and brings it to life brilliantly on the touch mat.
- With the capacitive touchmat, you don't just see the idea, you touch it.

<sup>1</sup> Subject to purchasing a Windows 8 and 8.1 consumer HP Notebook or Desktop PC or Tablet between April 10th 2014 and June 30th 2016. Terms and Conditions apply. [hp.com/go/music](http://hp.com/go/music) <sup>2</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>
