### Take your music everywhere with the LG X-Boom Go, our portable Bluetooth speaker system with built-in battery

Pump out your favourite tunes anywhere you like - home, party, barbeque, picnic and more.

#### Bluetooth Multi-Point (Up to 3 devices simultaneously)

Use Bluetooth audio streaming to listen to music and online music streaming services via your mobile device.

Pair up to 3 devices simultaneously^ (including phones, tablets or PCs). So friends can play their music one after the other, without going through the disconnecting or connecting process.

*^Music Flow Bluetooth App (minimum Android version 4.0.3) and (minimum iOS version 6) required.*

#### Built-In Battery

Stretch the boundaries and enjoy your music outside thanks to the portable built-in battery (up to 15 hours playback\*). Recharging is very simple and you can be ready to go again soon!

*\* Based on fully charging the battery and continuous playback at 50% volume level. It may vary depending on the battery status and operational conditions.*

#### Collapsible Handle and Built-In wheels

Easy transport your LG X-Boom Go through carparks, meeting rooms or the driveway - why carry when you can wheel!

#### Karaoke Feature with Voice Cancellor and Key Changer

Sing along to any track! Voice Cancellor reduces the existing song's vocals, so that your voice can be heard more clearly. Key Changer adjusts the pitch of the song to suit your voice!
