

4K Ultra HD Blu-ray Player with Dolby Vision®

UBK90

Product Sheet

HDR10 and Dolby Vision

With Dolby Vision the picture in each scene is dynamically enhanced to deliver refined detail, natural contrast and vivid colour.

NETFLIX

Netflix and YouTube

Access Netflix & Youtube to access a huge range of popular content, including original series, documentaries and feature films from Netflix*.

4K Upscaling

4K Upscaling helps improve the smoothness of a 1080p image by enhancing the detail to augment the image clarity closer to Ultra HD quality.

Connectivity

2 x HDMI outputs[^], USB,
Optical Audio Out

** Netflix provides content in SD, HD and 4K Ultra HD. Netflix membership and steady internet connection speed of at least 25mbps required to stream 4K Ultra HD content, otherwise content will be downscaled to either HD or SD quality based on the available bandwidth. Speeds of 25mbps available in limited locations and may vary depending on time of day. Please check with your internet service provider to confirm the bandwidth speed for your connection. Internet connection required, data usage and subscription charges may apply. Contents and features will vary from time to time without notice.*

[^] HDMI port 2 for audio only
