Audio Capabilities

2-way Sound System
Karaoke Function
FM Tuner
Microphone Connection

Bring the beat back!

Overview

Enhance your movie, TV or gaming sound experience with 480W Total Power Output.

Total Power/Speakers

480W RMS
2-way, Four Speakers
Stereo system
Feel the beat with intense, powerful sounds

Two USB Ports

With two USB ports you can have more music ready to go. You can also copy music from one USB to another.

Karaoke feature with Voice Canceller & Key Changer

Sing along to any track! Voice Canceller reduces the existing song's vocals, so that your voice can be heard more clearly. Key Changer adjusts the pitch of the song to suit your voice!

Bluetooth Music Streaming/Bluetooth Multi-Point

Use Bluetooth® audio streaming to listen to music and online music streaming services via your mobile device. Pair up to three devices simultaneously (including phones, tablets or PCs). So friends can play their music one after the other, without going through the disconnecting or connecting process.

**Music Flow Bluetooth® App required. (minimum Android version 4.0.3) and (minimum iOS version 6)*
