

# Sound Bar

SK5Y

Product Sheet

### DTS Virtual: X

DTS Virtual:X technology gives you a rich, immersive surround-sound like experience, without the need for multiple speakers.

### 360W Total Power & 2.1 Channel Output + Rear Speaker Compatible\*

Add more power to your movie, TV or gaming experience with 360W total power, 2.1 Ch. You can also add rear speakers for an extra Two Channels & 140W.

### High Resolution Audio

Feel the emotion with High Resolution Audio at 24bit/96kHz. The SK5Y is capable of reproducing High Quality sound from the original recordings.

### Bluetooth® Music Streaming

The SK5Y comes with Bluetooth technology so you can stream your favourite music directly to it.

The LG SK5Y Soundbar comes with DTS Virtual:X technology which gives you a surround-sound like experience, without the multiple speakers and Adaptive Sound Control which automatically adjusts the sound mode to enhance audio clarity.

*\*Compatible LG Rear Speakers SPK8-S sold separately*
