BT5522/13

Advanced precision

Ultimate control for beard and hair

The Philips Beard Trimmer 5500 is a premium beard and stubble trimmer that also cuts hair. Designed for an even trim from any angle, featuring 40 adjustable lengths. DualCut steel blades and 120 minutes of Lithium-ion runtime.

Easy to use

- Easy but thorough cleaning
- Warranty for purchase protection
- 120 min runtime after a 1 hour charge or plug it in
- Lights indicate when battery is low, empty, full or charging

Even trimming results

- Trims evenly and captures low-lying hairs
- Self-sharpening blades for zero maintenance
- The precise beard trimmer for perfect edges

Precise styling

- Extra adjustable hair combs
- Adjusts to different length settings
- A precision step to match every beard

Highlights

Lift & Trim PRO system

Stubble doesn't stand a chance. The Lift & Trim Pro system captures all your low-lying hairs and lifts them up towards the blades for a precise cut — plus it's still an ideal trimmer for long beards.

Self-sharpening metal blades

Suitable for even the thickest hair, the double-sharpened blades guarantee precision edges and superior trimming every time. No oil or replacement blades required.

40 lock-in length settings

Cut to the exact length you're after. Just spin the precision dial to one of 40 length settings between 0.4-10 mm in 0.2 mm increments.

Customisable precision

Personalise your grooming routine with precise-styling steps to suit every beard. There are 0.2 mm steps between 0.4-2 mm for short beard styling, 0.5 mm steps between 2-5 mm to achieve an even 3 day beard and 1 mm steps above 5 mm for long beard maintenance.

Precision trimmer

Add extra definition to the details, even in hard to reach areas, with the click-on precision trimmer.

100% waterproof

The 100% waterproof beard trimmer, simply rinse it under the tap for a thorough, easy clean.

Battery indicators

The battery indicators in this trimmer let you know what your battery status is: low, empty, charging or full. This way, you can fully charge your trimmer on time, so you won't end up with an empty battery in the middle of your trim.

Built to last

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.

120 min Li-ion power

The advanced Li-ion battery provides 120 minutes of powerful, cordless use after 1 hour of charging. You can also use your trimmer plugged in or use the quick-charge function to get one full trim after just 5 minutes of charging.

Extra adjustable hair combs

The trimmer comes with 2 adjustable hair combs: from 0.4-10 mm, and from 10.4-20 mm

Specifications
