BG1024/16

## Effortless body trim, safe even below the belt

### Bidirectional trimmer with skin protect guard

The Series 1000 is designed specifically for body grooming and is ideal for use on smaller, sensitive areas or on the go. It safely trims intimate hair and comes with a unique skin protection system.

#### **Safely and effectively trims even intimate hair**

- Skin protection system guards while grooming your body
- Bidirectional trimmer and comb to trims in every direction

#### **Easy and convenient use**

- Ergonomic grip for added grooming control
- Body groomer built to last with no oil required
- 100% Showerproof body groomer
- Up to 2 months of trimming power

# PHILIPS

Showerproof groin and body trimmer  
1 click-on comb, 3mm Includes 1 AA battery

## Highlights

### Skin protection system

The unique skin protection system guards even your most sensitive areas while body grooming. Allowing you to comfortably trim hair as close as 0.5mm without direct contact between the sharp edge of the blades and your skin.

### Bidirectional trimmer & comb

Cut hair that grows in any direction using the bidirectional trimmer and 3mm comb. Pre-trimming is recommended for thicker hair.

### Wet & dry

Your wet and dry body groomer is fully water proof, so you can use it in or out of the shower and clean your groomer easily. For best results, use on dry hair before showering.

### AA battery power

Compact and efficient, you will get up to 2 months of trimming power from a single Philips AA Alkaline battery. Run-time may differ depending on hair type and grooming frequency.

### Ergonomic grip

Your body groomer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

### Built to last

All of our body grooming products are built to last. They come with a 2 year warranty and they never need to be oiled.
