STE3150/20

Easy, every day de-creasing

Integrated StyleBoard for better results

Spend less time de-creasing your outfits and more time enjoying wearing them with the Philips Stand Steamer 3000 Series. The integrated, sturdy StyleBoard and large pointed steamer head will make light work of any crumpled clothing.

Convenient and effective

- Integrated StyleBoard for better de-creasing
- Slim design to store easily
- 3 steam settings with high continuous steam rate
- Large 2 L water tank, lasts longer between refills

Quick crease removal

- Heats up in under 60 seconds, so you are ready in no time
- Large pointed steamer head for precise results
- Safe on all ironable fabrics

Refresh without washing or dry cleaning

- Kills up to 99.9% of bacteria* to refresh and remove odors

PHILIPS

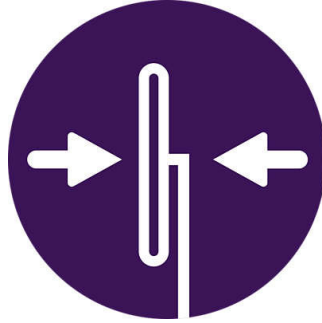

Highlights

Integrated StyleBoard

The StyleBoard provides reliable support during steaming. Simply press the fabric between the steam plate and board for easier steaming with crisp results from top to bottom.

Easy storage

Make it fit: Due to its smart design, the stand steamer doesn't take much space and can be stored easily.

Safe on all ironable fabrics

Our steamer is safe to use on all ironable fabrics and garments. Our steam plate can be safely pressed against any clothing with no risk of burning; a great solution for delicate fabrics like silk.

Short heat up time

Whenever you need it, the stand steamer is ready to use in less than 60 seconds, ideal for those last minute outfit choices.

Large steamer head

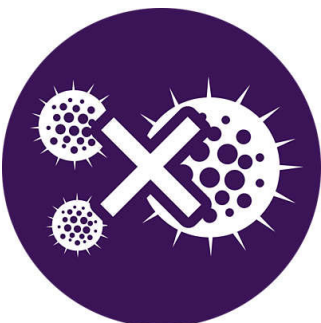

Perfectly precise: Our innovative steamer head features a large soleplate and precision tip designed to tackle hard-to-reach areas like collars and in-between buttons with ease.

Large water tank

Take on big loads: The 2L detachable and transparent water tank is large enough to tackle even big loads of ironing.

Kills 99.9% of bacteria*

Besides de-wrinkling, 3000 Series also refreshes clothes (and soft furnishings, curtains, toys) and removes odors by killing up to 99.9% of bacteria*.

3 Steam settings

Set your preferred steam setting for optimal results on different fabric. Use low steam for thinner fabrics and a more powerful setting for thicker fabrics and coats.

Specifications

Board cover

- Top layer: 100% Cotton

Calc management

- Calc clean solution: Easy rinsing
- Suitable for tap water

Support for ironing

- StyleBoard

Accessories

- Easy steamer head holder
- Glove for extra protection
