

Philips PowerPro Compact
Bagless vacuum cleaner

1500 W

PowerCyclone 4
TriActive nozzle

FC8476/92

Full performance

Less energy consumption

The new Philips PowerPro Compact vacuum cleaner delivers powerful performance without compromises thanks to the PowerCyclone 4 technology and advanced bucket design.

Excellent cleaning results

- PowerCyclone 4 technology separates dust and air in one go
- The TriActive nozzle applies 3 cleaning actions in one go

Clean air in your home

- EPA10 filter system with AirSeal for healthy air

Ergonomic grip for far reach

- Reach all corners thanks to the extra long ergonomic grip

Easy to clean

- Advanced dust container design for easy emptying

PHILIPS

Highlights

PowerCyclone 4 Technology

PowerCyclone 4 technology maximizes airflow and performance by separating dirt from air in one go. It delivers remarkable cleaning results through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber to separate the dust from the air.

TriActive nozzle

The TriActive nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It picks up the dust and dirt closely alongside furniture and walls with its left and right side air channels.

EPA10 Clean air system

EPA10 filter and AirSeal capture the finest dust before the air is blown out for a dust-free environment and clean, healthy air.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

Easy to empty dust container

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

Specifications

Performance

- Energy efficiency rating: E
- Dust re-emission class: C
- Carpet cleaning class: C
- Hard floor cleaning class: C
- Airflow (max): 36 l/s
- Annual energy consumption: 52 kWh
- Input power (IEC): 1400 W
- Input power (max): 1500 W
- Sound power level: 83 dB
- Vacuum (max): 23 kPa

Usability

- Action radius: 8 m
- Carrying handle: Front
- Cord length: 5 m
- Tube type: Metal 2-piece telescopic tube
- Wheel type: Plastic
- Tube coupling: Conical

Filtration

- Dust capacity: 1.5 L
- Exhaust filter: Sponge
- Motor filter: EPA 10 washable filter

Nozzles and accessories

- Accessories included: Crevice tool, Small nozzle
- Accessory storage: On tubeclip
- Standard nozzle: TriActive nozzle

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Dimensions of product (LxWxH): 406 x 285 x 238 mm
- Weight of product: 4.5 kg

Design

- Color: Silent grey
