## Enjoy hot drinks anytime

### With keep warm function

Durable kettle in safe, food-grade full stainless steel for long and reliable daily use – with a convenient Keep Warm mode that's always ready to serve. Philips brings 60 years of trust and expertise to this elegant long-life kettle.

#### Fast, safe boiling

- Keep warm function with no reboiling
- Durable full stainless steel body for long life
- Micro-mesh filter captures tiny limescale particles
- Flat heating element for fast boiling
- Multi safety system against boil-dry

#### Simple to fill, use and clean

- Easy-to-read water level indicator
- Pilot light indicates when the kettle is switched on
- Spring lid with large opening for cleaning
- Easy refilling through lid or spout
- Cordless kettle with 360° pirouette base
- Cord winder for easy adjustment and storage

# Highlights

## Keep warm feature

The keep warm feature maintains the water in your kettle at a selected temperature so you don't need to reboil.

## Multi safety system

Multi safety system against boil-dry, with auto-switch off when the water is ready.

## Easy refilling

The kettle can be filled through the spout or by opening the spring lid.

## Stainless steel design

Durable full-metal design in food-grade brushed stainless steel for long, reliable use.

## Pilot light

Elegant indicator light incorporated in the power switch illuminates when the kettle is turned on.

## Cordless + 360° pirouette base

The cordless kettle sits on a 360° pirouette base for easy lifting and replacing.

## Micro-mesh filter

A removable micro-mesh filter on the spout captures tiny limescale particles as small as 200 microns to ensure a clear cup.

## Water level indicator

The water level is easy to read with an indicator located underneath the handle.

## Hidden cord winder

The cord can be wrapped underneath the base, so it's the right length for any kitchen and easily stored away.

## Flat heating element

A concealed stainless steel heating element ensures fast boiling and easy cleaning.

## Spring lid with large opening\*

A push-button lid opens smoothly at the touch of a button, avoiding steam contact. The large opening simplifies cleaning.

# Specifications

## Accessories

Included: Spout filter

## General specifications
