Highlights

Power up to 2000 W

Power up to 2000 W enables constand high steam output.

Continuous steam up to 25 g/m

Continuous steam up to 25 g/m for good crease removal.

Steam boost up to 90 g

The iron's 90 g steam boost enables you to easily remove even the most stubborn creases.

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Non stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for easy gliding performance on all ironable garments.

Large water tank

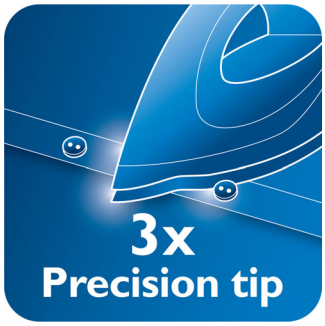

Less refilling with the extra-large 220 ml water tank so you can iron more clothes in one go.

Temperature dial

Bigger temperature dial for easier temperature adjustment

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Calc clean slider

This calc clean slider makes it very easy to remove scale out of your iron. To maintain the performance of your Philips steam iron you should use this scale clean function once a month.
