Highlights

Say goodbye to plaque

Densely-packed, high-quality bristles remove up to 7 x more plaque than a manual toothbrush. And the specially curved power tip makes reaching the teeth at the back of your mouth a breeze.

Safe and gentle

You can be sure of a safe brushing experience: our sonic technology is suitable for use with braces, fillings, crowns and veneers, and helps prevent cavities and improve gum health.

The only true sonic technology

Philips Sonicare's advanced sonic technology pulses water between your teeth, and its brush strokes break plaque up and sweep it away for an exceptional daily clean.

Too much pressure?

You may not notice if you're brushing too hard, but pressure sensor on your electric toothbrush will. If you start taking it out on your gums, the toothbrush will make a pulsing sound as a reminder to ease off on the pressure.

BrushSync technology

A microchip-enabled technology that detects and synchronises the smart brush head with the smart handle. The smart handle and smart brush head pair is a powerful combination that enables Smart replacement reminders.

BrushSync replacement reminder

All brush heads wear out over time. But our BrushSync technology tracks how long you've

been using your brush head for, and how hard you've been brushing. When it's time to replace it, a light on your handle and a short beep will let you know. That way, you can be sure your brush head is doing a good job.

Easy-start programme

Starting something new can take getting used to. That's why our easy-start programme gives you the option of a gradual, gentle increase in brushing power the first 14 times you use your new toothbrush.

Helpful timers

Our QuadPacer lets you know when you've spent just the right amount of time cleaning each part of your mouth, while our Smartimer tells you when you've brushed for the recommended two minutes.

Specifications

Design and finishing

- Colour: Pastel pink

Power

- Voltage: 110-220 V

Technical specifications

- Operating time (full to empty): Up to 2 weeks
- Battery: Rechargeable
- Battery type: Lithium ION

Consumer Trade Item

- Height: 23.7
- Width: 6.5
- Length: 11
- Net Weight: 0.303
- Gross Weight: 0.4
- GTIN: 08710103986997
- Country of origin: CN
- Harmonized system code: 85098000

Outer Carton

- Height: 25.6
- Width: 12.3
- Length: 21.4
- Net Weight: 0.909
- Gross Weight: 1.346
- GTIN: 18710103986994

Service

- Warranty: 2-year limited warranty

Ease of use

- Handle: Slim ergonomic design
