

TMM 500 - RingO Holder for iPad Air

A beautifully designed product like the iPad deserves an equally well designed protection case and mounting system. The iPad is a personal assistant and trusty companion, ready to go wherever you go, so why not have an accompanying iPad holder that lets you mount your tablet wherever you like? Get the most out of your iPad, keeping it safe, secure, and at the ready.

TMM 500 - RingO Holder for iPad Air

The TMM 500 RingO iPad Air holder has a unique aluminium RingO connector that is compatible with a wide range of Vogel's mounts and supports, including the Wall Mount, Flex Mount and the Car Mount. The holder accompanies the Vogel's range of tablet mounts and provides scratch-free protection for the back, and all four corners of your device. The ultra-thin, lightweight shell allows easy access to your iPad's camera, speaker, volume and dock connector. The RingO iPad holder is designed to work seamlessly with Apple's Smart Cover.

Features

- Can be used horizontally or vertically
- Easy mounting
- Easy connect
