My Passport X
Gaming Storage

Play anywhere
Take your gaming titles wherever you want. You can even plug it into your friend’s Xbox One or Xbox 360 video game system and it’s game on!* (Internet required. Must be logged into your Xbox Live online account.)

* If game was purchased and loaded from disc, original discs may be required to verify ownership.

Performance tweaked!
Connecting My Passport X to your Xbox One or Xbox 360 is like equipping your gaming avatar with super-lifting strength and speed. It gives you the room to store a lot more games, plus the speed of a USB 3.0 compatibility for a lightning-quick gaming experience. It’s built to deliver a great gaming performance for Xbox One, Xbox 360 or PC gamers.

No sweat setup
My Passport X takes just minutes to set up. Plug it in, follow the easy on-screen instructions and you’re locked and loaded to take on armed marauders, aliens and opponents of all types.

Sleek design with high capacity
An ideal companion for your Xbox One or Xbox 360, the My Passport X’s stylish, compact design allows you to take your gaming lifestyle with you — and look good doing it.

Ultra-fast transfer rates
The power of USB 3.0 lets you access and save files in blazing-fast speed. Plus, no separate power supply is necessary.

WD reliability
Your data is important, so WD builds our drives for durability, shock tolerance and long-term reliability. We also install peace of mind with WD quality backed by our limited warranty (terms vary by country).
