Highlights

Advanced LED Light Source

The powerful LED light source displays rich, vivid colours and will last up to 30,000 hours. You won't need to replace it as it lasts 20 years with an average usage of 4 hours per day! Additionally, the power consumption is far lower than a regular lamp-based projector, which means you benefit from a bigger screen and fully immersive experience, all through an eco-friendly device!

2.1 Powerful sound system

Thanks to its 2.1 audio system (two speakers and a subwoofer), immerse yourself in an exceptional sound sensation. Thanks to its 3.5mm jack output, connect your earphones for even bigger sound with speakers.

Advanced picture correction

Advanced picture correction

NeoPix 320 in True Full HD 108

Watch films and more in True Full HD 1080p high-definition sharpness, full of the fine detail that can be lost at lower resolutions. The picture remains lifelike and text is crystal clear when displayed.

Smart OS for apps and more

Take full advantage of endless entertainment directly out of the box with all your favourite pre-installed apps. Enjoy Netflix, Amazon Prime, Youtube, Disney+ and more!

Super silent

Fully engineered to improve airflow and heat dissipation while maintaining a compact design. Enhanced by the use of high-performance fans, it offers an unprecedented silence.

Wi-Fi screen mirroring

Connect your mobile devices such as a tablets, smartphones or even computers wirelessly to mirror and share all your contents. Videos on your phones? No worries, just cast it through Wi-Fi! (iOS, Android, Mac and PC)

Wireless Sound

Do you have a wireless speaker, mouse, keyboard or other remote controls? Not to worry, thanks to its Bluetooth functionality, you can easily connect to any of these accessories.

NeoPix 320 connection

Connect all your multimedia devices thanks to its dual HDMI (smartphone, tablet, laptop, gaming console, and more), and play all your videos, photos, and audio files from a USB, thanks to the built-in multimedia player. The dual band Wi-Fi technology is ideal for online gaming or watching Full HD films.
