**Compared to homemade fries prepared in a conventional deep-fat fryer
****Compared to NA35x and NA55x models
******Internal lab measurement NA15x with salmon vs. an A-class oven; exact results vary per product type and recipe

Crispy and tender, up to 90% less fat, Easy switch: 2 baskets to 1 large tray, Space-saving ergonomic drawer design

NA150/09

Highlights

RapidAir Technology

RapidAir Technology in our Philips Dual Basket Airfryer has a unique star-shaped design so the hot rapid airflow creates tasty, crisp & tender meals and side dishes.

Flexible basket

Remove the divider in your dual basket airfryer to combine two 3.55L baskets into a spacious 7.1L baking tray. It fits up to 900g of fries, 1200g of veggies, or 10 chicken drumsticks. Alternatively, use the large basket to cook two meals at the same time.

Compact size with easy-to-grip handles

Our compact Dual Basket Airfryer saves 40% space.** The drawer includes two strong horizontal handles for safe, comfortable handling even when full.

Time function

Automatically sync cooking times in 2 baskets for your meals to be ready at the same time.

HomeID app

Discover the Dual-Basket Airfryer with personalised recipes on the HomeID app. Enjoy step-by-step guidance and access hundreds of delicious meals with tailored settings for your Airfryer.

Reheat function

Yesterday's dinner for lunch? Absolutely. The reheat function lets you enjoy a hot meal in minutes without the need of a microwave.

Variety at your fingertips

Set the time and temperature to activate one of 10 cooking methods: reheat, bake, grill, roast and more. Or choose from 6 convenient ingredient presets to simplify cooking.

Time and energy efficient

Cook up to 40% faster and save up to 75% energy when cooking with the Philips Dual-Basket Airfryer compared to your oven.***

Dishwasher safe

Philips Airfryers have a non-stick coating and dishwasher-safe removable parts, so you can spend less time cleaning and more time enjoying your favourite meal.
