Highlights

Select, set & relax

Choose a recipe, send it to the Airfryer, and monitor the progress of your cooking – from the comfort of your couch. When your dish is done, you will receive an alert.

Rapid Air technology

Rapid Air Technology, with its unique starfish design, swirls hot air to create delicious foods that are crispy on the outside and tender on the inside, with little to no added oil.

Air is the new oil

Rapid Air Technology uses a unique starfish design to swirl hot air rapidly and evenly around your food. This ensures a crisp outside and tender inside using little to no added oil. Whether you're making chips, chicken or roasting vegetables, this XL airfryer delivers a perfect golden crunch, every time.

13-in-1 cooking functions

The Philips Airfryer opens up a world of possibilities: fry, bake, grill, roast, dehydrate, toast, defrost, reheat, and many more.

Keep warm function

Enjoy your meal whenever you're ready. Hit the Keep Warm mode, and your food will stay at the ideal temperature for up to 30 minutes.

Amazon Alexa compatible

Voice control enabled, compatible with Amazon Alexa.

Tasty Airfryer recipes

Discover hundreds* of mouthwatering Airfryer recipes that are tasty, healthy, and convenient to make. Most recipes in the HomeID App are curated by nutritional experts for everyday cooking.

Touch screen with 7 presets

Touch a button and cook. Preset programs include frozen snacks, fresh fries, meat, fish, chicken drumsticks, cake and even grilled veggies.

Easy to use and clean

All removable parts are dishwasher safe. Our Airfryer's QuickClean basket has a non-stick coating for easy cleaning. Frying with air also means your home will be free from the odor of traditional deep-frying.
